

RIGHTEOUS RIDE™

WINNER'S CIRCLE

Righteous Ride Winner - November 2010

Name: Norman Dial

Company: Max Myers Chevrolet - Middlebury, IN

Car: 1966 Chevrolet Chevelle SS

Story/Tradition: This is as American as hotdogs and apple pie! 1966 Chevelle SS clone. Complete frame off restoration. 454 - 30 over, TCI Automatic transmission, 373 rear end. All boxed in, air conditioned car. I have owned it for about 6 years. It was originally red with a 283 - 2 speed power glide. Interior and everything on the car is new. I always wanted a 1966 Chevelle and thought the best way to do it was a frame off. Drives like a new car.
